

*A silent night
A star above
A blessed gift
Of hope and love*

To all of you, students and teachers of E.I.A.,

Well, the festive season is coming but with the pandemia, we don't really know what the future is going to be like.

But, in spite of this chaotic and troubled time, I think it's high time for me to come and wish you:

a merry Xmas and a happy new year

I hope you'll be able to celebrate Xmas with your Gdchildren and relatives.

As a godmother of 4, I haven't seen two of them for ages and you must be the same.

So don't give up and enjoy even single moment. Hope to see you in 2021, perhaps, perhaps, perhaps...
